## If your application is successful...

If your application is successful we would like you to stay in touch once your project is underway so we can publicise the fund for future years. We request that you let us know when resources are in place and keep us updated with information and (if applicable) photographs as evidence of spending.

Please state below anticipated developments of the project that you can keep us informed about. (Depending on the nature of the project this may be one or several).

Where the recipient of the funds is not a recognised organisation or charity, or where you have requested that the cheque is made payable to an individual, a reference will be required.
